Why the Pocono Chamber?

A strong, healthy Chamber indicates one thing in a community – a strong, healthy business environment. Business owners are attracted to Monroe County for its scenic beauty, recreation, and close proximity to the largest cities in the US. Whatever the reason, starting a business might sound easy, but it is keeping it growing and strong that is a challenge. And that is where we come in. We are all about you and the success of your business. It does not matter what industry you are in; we are here for you. From start-ups to multi-million-dollar businesses, we support them all. We consider ourselves a one-stop shop when it comes to business needs. We offer entrepreneurship training courses, industry networking events, geographic-specific networking, regional networking and partnerships with other Chambers. Become a member TODAY and see how we can help you succeed!

Our History

Originally known as the Stroudsburg Industrial Club, the Chamber received its charter on June 25, 1910. As Stroudsburg grew, the name evolved into the Pocono Chamber of Commerce on April 2, 1948.

Events

Solid business relationships are vital to growing and maintaining your business. Our chamber gives you monthly opportunities to network with the PCC membership, so you can make new contacts, find potential clients, and develop valuable business relationships that can help strengthen your business now and in the future.

Our events provide incredible opportunities to spread the word about your products and services, educate you about business as well as learn about what other businesses can offer you in a fun and relaxing atmosphere.

Our Chamber members receive access to all our events throughout the Poconos and Lehigh Valley region! An event can have a host sponsor (venue location) and either one or multiple event sponsors. Those businesses that wish to host and/or sponsor one of our monthly events can spotlight and promote their business by giving a brief presentation at the event as well as through the Chamber's promotional efforts: Press releases to local newspapers, media coverage, flyers, event email blasts to membership and mentions in our Pocono newsletter.

Monthly Networking Mixers

Once a month, our chamber hosts membership mixers at different locations across the Pocono region! These are great opportunities for our members to meet, mix, and mingle with other members. Most of these sessions (location permitting) are completely free for our members to attend.

To host or sponsor a future event, please contact the Chamber office.

Committees

Chamber Committees are another fantastic way to network with other PCC members, meet new business contacts, lend your talents, and make a difference in your local community. Some of our committees include Public Policy, Women in Business, Pocono Leaders of Tomorrow, and Multicultural. Reach Your Target Audience, Promote Your Business, Register for Events, and Pay Invoices Via the PCC Web Site & Member Information Center (MIC)

- **Get Access to the Member Information Center (MIC):** Contact any member of the Chamber team at 570.421.4433 to request access to this Members Only area (the login link is at the top right of any web page). You will receive an e-mail prompt with a link to create a password. Your username is the e-mail used on your MIC account, which is initially set up by the individual upon completion of the online registration or by chamber staff. Both your username (e-mail) and password may be changed through the MIC dashboard. If you forget your password, please contact the chamber office for a password reset.
- **Update Your Member Profile (FREE Basic or PAID Gold Enhanced):** There are two components to the Member Profile: The Personal Profile (each representative on your account has their own) and the Company Profile (any representative on your account has access and can change if they have the security permission to do so, which most reps do). To update, start with your personal profile (accessible at the top right corner of the page near your photo box or on the left-hand navigation). Follow the prompts to complete each profile. (Note that you can control who sees your profiles through the dashboard) – Clicking on the Display Preferences, you can choose to make your profile seen by no one, members, or profile, so make sure that it is accurate. This helps to maintain the integrity of the Business Directory and helps customers find and contact you. (Note: Become familiar with what you get with a FREE Basic Member Profile vs. a PAID Enhanced Gold). Only Enhanced Gold Profiles have photos and videos that are visible to the public. If you graduate your profile to the Gold, it is recommended that you only post 5-7 images to your photo gallery.)
- **Utilize FREE Tools:** Stand out and promote your business for FREE by posting your Events, Hot Deals, Member-To-Member Deals, Job Postings, and Press Releases for Member Viewing, via the MIC dashboard. (Please allow up to 48 business hours for your postings to be approved by the Chamber Staff.)
- **Share company announcements, news, promotions, and even hobbies on your MIC Welcome Wall, so that other Members can get to know you.** (TIP: Be sure to upload a photo of yourself for your Profile, so that other PCC Members can put a face with a name, which helps create that personal touch and establish a good business relationship!)
